We believe that (IT) Information technology is no longer an option for businesses but a necessity for survival and growth.

TERMS & CONDITIONS:

- The client must **provide all necessary information and materials** required for the social media posts, including brand guidelines, product information, and any specific messaging or promotions they wish to highlight.
- The client must **approve all social media posts** before they are scheduled for publishing. If the client requests changes to a post after it has been approved and scheduled, it may result in additional fees or delay in publishing.
- The client must provide **access to their social media accounts** and ad accounts, if applicable, in order for us to manage their social media and run ad campaigns on their behalf.
- The **client must make payment in full at the start of each month** for the upcoming month's services. Late payments may result in a delay in services or suspension of the services until payment is received.
- Either party may **terminate** this agreement with **written notice** of at least **30 days**. In the event of termination, the client will remain responsible for any outstanding payments due up until the termination date.
- The client acknowledges that **we are not responsible for any changes made by the social media platforms** that may affect the performance or delivery of our services.

THANK YOU!
